MOHAVE COUNTY Hand Count / Early Ballot Audit Report

Synopsis:

Pursuant to A.R.S. §16-602 (B), Mohave County conducted the hand count/early ballot audit for the November 3, 2020 General Election. 2% of precincts were counted as required by statute, which amounted to 2 precincts out of 24 total precincts.

The hand count began on November 4, 2020 at 2 p.m. when the Mohave County Chairmen of the Republican and Democratic Parties met to select the races, precincts, and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Democratic Party was chosen to go first.

With the order established, the specific precincts to be counted were selected with the County Party Chairmen alternating the selection. Once the precincts were chosen, the races to be counted were selected.

Five contested races were chosen according to the selection process outlined in the elections procedure manual. Specifically, the Presidential Electors, Corporation Commissioner, Proposition 207, U.S. Senator and State Representative District 7 were counted:

The master precinct and race selection worksheet is attached for review. The physical hand count started at 8 a.m. November 7th and was concluded for the day at 5:30 p.m. The hand count was not completed on November 7th and was resumed Sunday morning November 8th at 8 a.m. The hand count was finished by 1 p.m. that day. The tabulation method used was the stacking method. The hand count was conducted by two boards made up 3 members, of which not more than 2 members were from the same political party. This hand count counted votes cast on central count digital ballot scanners located within the Mohave County Elections Department.

Early Ballot Audit:

The 1% of early ballots as required per Arizona State Law consisted of 2 batches, each containing 400 early ballots. There were 70,155 early ballots cast in Mohave County for the 2020 General Election prior to Election Day.

Comments:

There were very few discrepancies found. In all instances the reason for the discrepancies was due to voter intent. Please find the following precinct and early ballot reports for your review.
